existence of the incentive plan. Those participants will be determined within 12 months after the approval of the incentive plan at the general meeting by reference to the criteria for first tranche.

The initial grant price of restricted shares under the incentive plan is RMB 25.38/share. During the period from the date of announcement of the incentive plan to the completion of registration of restricted shares by the incentive objects, the grant price of restricted shares is subject to adjustment in accordance with the incentive plan in the circumstances that the Company has capital reserves converted to share capital, dividend distribution, share split, allotment of shares, share reduction or dividend payout, etc.

The incentive plan shall be valid for no more than 48 months from the date of completion of registration of restricted shares grant to the date of lifting of restriction on sales of all restricted shares granted to the incentive objects or the date of cancellation. The grant date shall be determined by the Board of Directors after the approval of the incentive plan by the general meeting of the Company. The Company shall grant the restricted shares and complete the announcement, registration and other related procedures within 60 days after the approval by the general meeting. If the Company fails to complete the above work within 60 days, it shall disclose the reasons for the failure in a timely manner, and announce the termination of the implementation of the incentive plan and the invalidity of the ungranted restricted shares.

The Company's "2023 Restricted Share Incentive Plan (Draft)" and Summary has been approved by the seventh meeting of the sixth Board of Directors and the fourth meeting of the sixth Board of Supervisors of the Company, and is now submitted to the general meeting for consideration. 2. The HR Department of the Company shall be responsible for the specific assessment work under the guidance of the Remuneration and Appraisal Committee of the Board of Directors of the Company, save the assessment results, and form a performance assessment report on this basis and submit it to the Remuneration and Appraisal Committee of the Board of Directors.

III. Performance Assessment Indicators and Standards

(I) Requirements for company performance assessment

The assessment year of lifting the restriction on sales under the incentive plan shall be three fiscal years from 2023 to 2025, one assessment in each fiscal year. The performance conditions for lifting the restriction on sales of restricted shares granted for the first time are set out in the table below:

Period of lifting the restriction on sales	**Performance assessment target**
First period of lifting the restriction on sales of restricted shares granted for the first time	Based on the operating income in 2022, the growth rate of operating income in 2023 is not less than 10%, or the net profit in 2023 is not less than RMB 6 billion
Second period of lifting the restriction on sales of restricted shares granted for the first time	Based on the operating income in 2022, the growth rate of operating income in 2024 is not less than 20%, or the cumulative net profit in 2023 and 2024 is not less than RMB 13 billion

shareholders of the listed company after deducting non-recurring profit and loss and the value after excluding the cost of the share payment under this and other incentive plans, the same below.

If the reserved shares are granted before September 30, 2023, the performance assessment target shall be the same as that of the shares granted for the first time. If the reserved restricted shares are granted after September 30, 2023, the performance assessment target for each year shall be as follows:

Period of lifting the restriction on sales	**Performance assessment target**
First period of lifting the restriction on sales of restricted shares granted for reserve	Based on the operating income in 2022, the growth rate of operating income in 2024 is not less than 20%, or the cumulative net profit in 2023 and 2024 is not less than RMB 13 billion
Second period of lifting the restriction on sales of restricted shares granted for reserve	Based on the operating income in 2022, the growth rate of operating income in 2025 is not less than 30%, or the cumulative net profit in 2023, 2024 and 2025 is not less than RMB 21 billion

If the Company fails to meet the above performance assessment target, for all incentive objects' restricted shares of which the restriction on sales can be lifted in the corresponding assessment year, the restriction on sales shall not be lifted, and the Company shall cancel based on the grant price plus the interest calculated at the benchmark deposit interest rate of the same period published by the People's Bank of China.
